- For Intel D945GCLF
- Low Profile !
- High quality !

Support: Manual [DE] | Manual [EN]

Note : With latest Intel boards you will not need this replacement heatsink because the height has been reduced by Intel already.

With this replacement heatsink for the Intel D945GCLF and D945GCLF2, D201GLY, D201GLY2A Mini-ITX mainboard you get enabled to use the mainboard also in ITX enclosures where the original heatsink has prevented an intgeration.

Example :
- Voom-2
- M200
- Morex 3300/3100/3677/3688
- ...

Scope of supply :
- Heatsink
